## PRESIDENT'S MESSAGE

Hi fellow dancers,

It's been great seeing so many of you at the dances this past winter! Now that spring will soon be turning into summer and our "Snow Birds" are going back to the land of the salt and snow plows, we will most likely be a smaller group. As you have noticed, we are having a few less dances (the April one was an accident – as Passover fell on the date we booked) so it's kind of important that you attend the dances when you can now to show your support of the club. I realize that summer brings travel away from the humidity and heat – so being at the dances isn't always possible. (We are missing the April 30<sup>th</sup> dance due to travel.) With weddings and graduations galore, even more will be missed! I'm just encouraging you to attend when you can. Besides, we miss one another when you aren't there.

We are looking already to the 2012 year, since it will be here before we know it. It is important to plan ahead now as we will announce the 2012 schedule in January. In addition, this brings me to the subject of electing board members. We vote in November, so we need to be looking for candidates now. Once again I am calling on members of our club to help serve. If you have not donated time, and feel you could help, please call me and let's talk.

You can reach me at (352) 344-1383. We can't expect the same people to continue to run the club forever! If you dance with us, you can also serve with us. You can do it! Remember, you won't be by yourself, we will be right there with you to help. Think about it, and let me know.

Just a reminder, if you know of someone who is sick, or has had surgery, and you want the club to know so they can send messages, cards, etc, you have to let me know. I am more than willing to send emails to the members to keep them informed, but if you do not expressly tell me it is okay to pass on the word, I will not put that sort of thing in an email. I will always respect your wishes on this.

Well that's about it for now. If I have any "brain children" I will email you and let you know what crazy idea we have come up with now. Until then, stay safe, have fun, and breathe in deeply of life.

Hugs to you all,

*Barb*

PS - Have a great Memorial Day Weekend and remember we will not be having a dance on the 28th.
